AXEL

Il divano "Axel" si distingue per il suo design giovane e slanciato, perfetto per ambienti moderni e contemporanei. La caratteristica principale di questo modello è rappresentata dai braccioli, costituiti da due morbidi cuscini "inseriti" ed estraibili tra la seduta e la struttura laterale del divano. Questa soluzione innovativa unisce estetica e funzionalità, offrendo un mix unico di bellezza e comfort.

The "Axel" sofa stands out for its young and sleek design, perfect for modern and contemporary settings. The main feature of this model is its armrests, which consist of two soft, removable cushions nestled between the seat and the sofa's side structure. This innovative solution combines aesthetics and functionality, offering a unique blend of beauty and comfort.
